Write a 150-word maximum essay on a separate sheet of paper with your name on it, that describes your idea and how a Sunlight Green Clean Kids grant would help make it happen. Be sure you tell us what category your idea falls under, as there are five different ones to choose from:

Water - Tell us your ideas to help clean or conserve water.

Nature - Explain how you can conserve or grow more plants and trees.

Air - How will your idea keep the air we breathe clean and fresh?

Energy - Tell us how you plan to conserve energy.

Reduce - Share all the actions you can take, like recycling, to reduce your carbon footprint.

Please circle the ideal grant amount that would help you put your green idea into action:

\$250 \$500 \$1,500

Once you have completed the application form and the essay, mail them to:

**Sunlight Green Clean Kids c/o Harbinger Communications
252 Adelaide St. East. Toronto, ON M5A 1N1**

Optional: Feel free to include any photos or drawings that represent your green idea.

Please note the deadline to receive grant applications is **November 30, 2010**.
